### **CLASS ACTION SETTLEMENT NOTICE**

**TO: All persons, including but not limited to their assignees, subrogees, and lienholders (including the State of Louisiana), who sustained any loss or damage of any kind, arising in any way out of damage, destruction, or harm to property in the State of Louisiana related in any way to Hurricanes Katrina and/or Rita, and who, at the time of the loss, had any rights under a policy of insurance from a Travelers company.**

YOU ARE HEREBY NOTIFIED that a proposed class action settlement has been preliminarily approved by the court in *Arthur v. Travelers*, Civil Action No. 09-7332 (United States District Court, Eastern District of Louisiana). The complaint alleges that Travelers' handling of claims arising out of the events above caused class members to receive fewer benefits than those to which they were entitled. Travelers denies all claims and liability stated in the complaint.

If you sustained loss or damage from either hurricane and also had rights under a Travelers insurance policy as described above, your rights may be affected by the settlement of this action. For further information regarding the settlement and your rights, including information on how to exclude yourself from the Settlement Class or object to the terms of the settlement agreement, please visit the website [www.noticeclass.com/](http://www.noticeclass.com/)\_\_\_\_\_ or write to Claims Administrator, [address].

**PLEASE DO NOT CONTACT THE COURT OR THE CLERK'S OFFICE.**
